

# Privacy Statement

## **Access to the Internet pages:**

*Our information pages are provided exclusively on the central web servers of the data center and the web servers of the FIT (Freiburg Center for Interactive Materials and Bioinspired Technologies).*

*Each of your accesses to the website of the University of Freiburg is stored in a log file. The data in the log file is not personalized. Therefore, we do not know which pages or files you have accessed.*

*The following data is stored in the log file:*

- *Name of the retrieved file*
- *Date and time of the call*
- *Message if the retrieval was successful*
- *IP address*

*The stored data will only be evaluated to optimize the website. There is no transfer to third parties, either for commercial or non-commercial purposes.*

## **Security:**

*Our website uses cookies. Cookies are text files stored on the user's computer system by the internet browser. When a user visits a website, a cookie can be stored on the user's computer system. This cookie includes a distinctive sequence of characters that enables a clear identification of the browser the next time the user visits the website.*

*The following data are stored in cookies and sent to the user's computer system by this website:*

*\_pk\_id.35.c5f9: Matomo referrer (default expiring time is 13 months)*

*\_pk\_ses.35.c5f9: Tracking a visitor's page views (default expiring time is 30 minutes or until the end of browser session)*

*For further information:*

*Press releases from the Federal Office for Information Security (BSI) on Internet security of 21 September 1999: BSI warns against the use of JavaScript.*

## **Responsible for data protection:**

*Albert-Ludwigs-Universität Freiburg  
Friedrichstraße 39  
79098 Freiburg
